HistoryAPP Cast & crewUser reviewsTrivia Failing to realize what made the original so greatThe 2020 film Mulan is a Disney live-action remake of their classic Renaissance animated film of the same name. It's a study on how not to re-tell a story.First, let's go over the good parts. It's a pretty little film. It has wuxia feel to it and all the different set pieces are well-made and suitably elaborate. I also liked the costuming and the action choreographies. Suffice to say, this film looks very good.But then comes the story. You've taken one of the most iconic Disney heroines and you've turned her into a deus ex machina. You've taken a girl who chose to rebel against social expectations and triumph despite all her disadvantages, and you've turned her into the chosen one who succeeds because she was born with magical powers. Can you see how that's so much worse? How that's so much more demeaning?Add in all the other magical bovine manure and senseless directing choices, and you have a film that has none of the charm of the original. None of the uplifting heroics. None of the gender equality. This Mulan doesn't save China while being a girl. She saves China despite being a girl. Because she was destined to do so and because she's more special than you can ever hope to be.But it's pretty. It has good action scenes. Nevertheless, it's not a good film.See detailed box office info on IMDbProSuggest an edit or add missing content Edit Actors Compendium BigScreen.com - Information, Photos, and Videos CinemaClock.com - info, user reviews, movie showtimes CinemaQuebec.com - info, critiques, horaires, bandes-annonces (French Canada) CineTrends movie network Deadline - News Report Den of Geek - Disney and Tenet Offer Competing Visions for Future of Movies (8/5/2020) DVD Menu Filmnegah.com - Full Cast, Crew, Synopsis, Commentary, Awards and Photos (Persian) Filmy (Greek) Indiemoviez (Spanish) MovieKlub - Informasi Seputar Film (id) movies.ch (German, French, Italian) MUBI: The global community for film lovers Mulan (cinemaffix) Mulan (upvod) Mulan (vod) Mulan (vodfilm) myFLM.gr - (Greek) Nu Metro Content (za) Soundtrack.Net SoundtrackCollector - Soundtrack Information Spielfilm.de (German) Variety article (March 2015) Variety article (October 2015) HistoryAPP SERIES 5 / 6 SERIES 9 / 10 SERIES 5 / 22 SERIES 13 / SERIES 6 / SERIES 7 / SERIES 3 / SERIES 1 / SERIES 8 / SERIES 6 / 6 SERIES 9 / SERIES 1 / SERIES 4 / SERIES 5 / SERIES 10 / SERIES 1 / Watch Mulan (2020) full movie online free in hd HD720p, 1080p.
